- 10 Vilnius Gediminas Technical University (LT)
- 11 Lithuanian Innovation Centre (LT)
- 12 Sør-Trøndelag County Authority (NO)

Smart specialization in bio- and circular economy in the Baltic Sea region through enhancing cross-sectoral business-research partnerships and innovation ecosystem management.

**SUOMEN ITÄMERI-INSTITUUTTI
THE BALTIC INSTITUTE OF FINLAND**

What the project offers?

For the business:

- Public-research-business matchmaking
- Cross-sectoral business coaching
- Voucher system pilot for transnational use of bioeconomy test facilities
- Transnational pilot of RtoB platform
- Baltic Bioeconomy Investment Forum
- Partnerships and international opportunities

For the regions:

- Learning from other regions
- Concepts/methods for engaging business and research
- Knowledge on ecosystem based approaches and support
- Better use of international opportunities
- Policy recommendations
